ALCC Exam Instructions

Welcome to the ALCC Exam! Please read the following instructions carefully before proceeding with the quiz:

Exam Details:

- **Name of Exam:** ALCC Exam

Exam Access & Setup

1. The candidate will receive two links: one for accessing the exam and another for joining the Zoom meeting session.
2. **Before starting the exam, the candidate must first join the Zoom meeting.**
   - The candidate is required to **switch on their camera and microphone** for the duration of the exam.
   - The candidate must be in a **quiet location with no one around** during the exam.
   - The Zoom session will be **recorded** for monitoring purposes. If anyone is found assisting the candidate, the candidate will be **disqualified, and appropriate action will be taken.**
3. After joining the Zoom meeting, the candidate must **minimize the Zoom screen** and open their web browser to access the exam link.

Quiz Overview

- The exam consists of fifty questions.
- All questions are compulsory.
- Each question carries one mark.

Answering Guidelines

- There is only one correct answer to each question.
- Each question can be attempted only once.
- Once an answer is submitted, the candidate will not be able to review or change it.

Time Limit

- The time limit for each question is **45 seconds** only.
- The candidate must manage their time effectively to complete all questions within the allotted time.

Scoring

- Each correct answer awards **one point**.
- There is **no negative marking**, so the candidate should attempt all questions without fear of penalties.

Instructions for Beginning the Exam

- Once ready, the candidate must click on the **"Start Quiz"** button to begin.

We wish all candidates the best of luck! May you perform to the best of your abilities.

Best regards,
Manpreet
